

Dare to Care - Community Connection

Tuesday, 09 June 2009

Last Updated Saturday, 10 July 2010

The D2C ministry is a wonderfully unique ministry. It serves as a network of different care teams that are connected through Dare To Care. These care teams have been designed as a way for us to love and care for God's people as well as meet the needs of our church family. The D2C team wants you and your family to feel "connected". No matter who you are, we have something for you. Check out the different ways we have to serve you and your family and "Get Connected"!
